²Department of Mathematics, Universitas Sumatera Utara, Medan, Indonesia

³Faculty of Computer Science and Information Technology, Universitas Sumatera Utara, Medan, Indonesia.

We would like to inform you that your manuscript id 16CTN-8376 has been accepted for publication in **Journal of Computational and Theoretical Nanoscience (ISSN 1546-1963)**.

Manuscript Title: Integer Programming Model for Solving Delay Problem in Air Traffic Management System

Thanks for submission of your work with us.

Regards,

Professor Dr. Maxwell.
