Dear Tengku Erwinskyahbana

Universitas Muhammadiyah Sumatera Utara.

Thank you for your interest in the IOSR Journal of Humanities and Social Science (IOSR-JHSS). There are several points that you should make improvements to, namely:

1. What kind of research contribution do you offer in this research?
2. Use Mendeley to do citations.
3. Complete the correspondent email in the research.
4. Research methods are not yet clear for answering research problems.
5. Adding 25 sources of information based on international journals

Thank You

Best Regards,
