To: Tengku Erwinsyahbana <tengkuerwins@umsu.ac.id>Dear Tengku Erwinsyahbana
Universitas Muhammadiyah Sumatera Utara.

We have reviewed the manuscript that you submitted, and there are several important points that must be corrected.

The following are points that you must review:

1. The research abstract is still general in nature and delivered in poor language.
2. Include what contribution you made to the results of this study.
3. Wetting does not theoretically examine the results of research findings.
4. Please enter suggestions on the conclusion points.
5. Add 30 sources of information based on international journals.

Thank You

Best Regards,

--
